The Certificate of the Principal Auditor to the Trustees of the Gibraltar Heritage Trust

I certify that I have audited the financial statements of the Gibraltar Heritage Trust for the financial year ended 31 March 2016 in accordance with the provisions of Section 8(2) of the Gibraltar Heritage Trust Act 1989. These statements comprise the Income and Expenditure Account, the Balance Sheet and the related notes.

Respective responsibilities of the Trustees of the Gibraltar Heritage Trust and the Principal Auditor

The Trustees of the Gibraltar Heritage Trust are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

My responsibility is to audit, certify and report on the financial statements in accordance with the provisions of Section 8(2) and (3) of the Gibraltar Heritage Trust Act 1989. I conducted my audit of the financial statements in accordance with generally accepted government auditing standards.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Gibraltar Heritage Trust's circumstances and have been consistently applied and adequately disclosed; and the overall presentation of the financial statements. If I become aware of any apparent material misstatements or inconsistencies, I consider the implications for my certificate.

I am required to obtain evidence sufficient to give reasonable assurance that the expenditure and income recorded in the financial statements have been applied to the purposes intended by the Gibraltar Heritage Trust Act and the financial transactions recorded in the financial statements conform to the authorities that govern them.

Opinion on regularity

In my opinion, in all material respects, the expenditure and income recorded in the financial statements have been applied to the purposes intended by the Gibraltar Heritage Trust Act and the financial transactions recorded in the financial statements conform to the authorities that govern them.

Opinion on financial statements

In my opinion, the financial statements give a true and fair view of the state of the Gibraltar Heritage Trust's affairs as at 31 March 2016 and of the income and expenditure for the financial year then ended.

Matters on which I report by exception

I have nothing to report in respect of the following matters, which I report to you if, in my opinion:

- I have not obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of the audit; or
- proper books of account have not been kept by the Gibraltar Heritage Trust, so far as appears from the examination of those books; or
- the financial statements are not in agreement with the books of accounts.

Report

I have no observations to make on these financial statements.
